Home Equity Lines available for primary residence only

*Information current as of 5/10/2010.

Home Equity Line of Credit rates are variable and may vary. Rates are subject to change without notice. Variable interest rates depend on total size of credit line. All APRs are based on a Prime rate of 3.25% and are current as of 5/1/2010. Maximum possible APR is 24%. Annual Fee of \$50 is charged annually after the first year, on the anniversary date of account opening. Rates subject to change. Adequate property insurance is required and if applicable, flood insurance will be required. You may be responsible for paying closing costs if you close your account within 3 years. Closing costs in the Washington, DC metropolitan area range from \$381 to \$1,470 on a \$10,000 loan. Rates, closing costs and other conditions may differ outside the Washington, DC metropolitan area. Please ask us for rates, costs and availability for Home Equity Lines of Credit outside this area.

**Relationship Rate requires auto-debit from a Chevy Chase Bank checking or savings account and a minimum \$30,000 initial draw.
